QUOTATIONS

"You have to find something that you love enough to be able to take risks, jump over the hurdles and break through the brick walls that are always going to be placed in front of you. If you don't have that kind of feeling for what it is you are doing, you'll stop at the first giant hurdle."
- George Lucas, Film Director and Producer

"Reduce your plan to writing.... The moment you complete this, you will have definitely given concrete form to the intangible desire."
- Napoleon Hill, 1883-1970, Author of 'Think And Grow Rich'
